

22 Surprising Turn-Ons Every Man Should Know

Description

Women from the BuzzFeed Community and Reddit recently shared some non-sexual but sweet things that men do that turn them on. Here are some highlights:

1. A guy hugging a woman from behind and dropping his chin on her shoulder can drive her wild. Also, the way they remove a t-shirt can be a turn-on.
2. Remembering tiny details like always bringing a water bottle on dates or explaining nerdy stuff in great detail can be endearing.
3. When a man stares at a woman and tells her how beautiful she is, or puts his arm around her protectively while walking, it's a major turn-on.
4. Not trying to make a woman afraid is a huge attraction point.
5. Driving a stickshift, reverse parking effortlessly, and melting over babies can be surprisingly sexy traits.
6. Taking the kids out for a mental break can be incredibly attractive.
7. Making a woman laugh, holding her hand, or cuddling can lead to feeling happier and safer, which can increase attraction.
8. Thoughtfulness, vulnerability, and constant sweet gestures can make a man incredibly appealing.
9. Loving dogs and showing care towards them can be even more charming than doing it for the woman.
10. Helping with mundane tasks like buttoning up a shirt can be sweet and a turn-on.

Keep reading on for more heartwarming gestures that make women swoon. Share your thoughts in the comments!
