

A close friend reveals that Kate Middleton and Prince William are experiencing a difficult time

Description

Kate Middleton and Prince William, according to their stylist Amaia Arrieta, are facing difficult times due to Middleton's cancer diagnosis. Arrieta, who has been styling the royal children since Prince George was a baby, expressed her heartbreak and concern for the couple. Middleton, 42, recently shared news of her diagnosis and is currently undergoing chemotherapy treatment. Arrieta, who works closely with the children's nanny, Maria Borrallo, takes pride in dressing the young royals and ensuring they always look their best. Prince Louis recently donned an Amaia shirt for his birthday, showcasing Arrieta's attention to detail.

Middleton's family, including her parents Michael and Carole Middleton, are providing support during this challenging time. The couple have taken a step back from their royal duties to focus on Middleton's health. The seriousness of Middleton's condition is evident from Arrieta's remarks, as she usually refrains from discussing personal matters. The news of Middleton's diagnosis came before the Easter break, with the couple having difficult conversations with their older children, George and Charlotte. As Middleton continues her treatment, her family remains by her side, offering love and care during this trying period.
