

Adam Aron, AMC Entertainment CEO, Anticipates \$25 Million Compensation for 2023

Description

AMC Entertainment's CEO, Adam Aron, was paid \$25.4 million in 2023. This is \$1.7 million more than the previous year. Most of this money was from company shares and a big cash bonus.

The company said that Aron had done well during a very hard time. COVID-19 and Hollywood strikes have stopped a lot of films from being shown in cinemas.

However, Aron cannot sell his shares yet and their value has gone down a lot. Yesterday, they were worth only \$1.3 million and not \$17.9 million.

Some people are unhappy about how much money Aron has been paid. He and the AMC board have decided to cut his pay by 25% this year.

AMC's next highest-paid executive, CFO Sean Goodman, made \$6.7 million in 2023.
