

Adam Campbell Stars as Young Adam in Tribute Episode!

Description

The show [NCIS](#) is very popular. This fall, the new show [Origins](#) will honor David McCallum. He played Dr. Ducky Mallard and passed away in 2023.

[Adam Campbell](#) will come back to play young Ducky in an episode called "The Edge." In this episode, Ducky visits Camp Pendleton and meets Gibbs. They met many years ago.

The show's creators want to celebrate David McCallum's life. They are happy to have Adam Campbell back as young Ducky. They will also use David's music in the episode.

NCIS: Origins shows Gibbs in the early 1990s. He is new at his job. There are new dangers and challenges for the team. They will always support each other.

***NCIS: Origins* airs Tuesday, October 14, at 9/8c on CBS.**
