

Adrian Grenier Explains Absence from 'Devil Wears Prada' Sequel

Description

Adrian Grenier, who plays Nate in *The Devil Wears Prada*, is unhappy he was not asked to join the sequel, *The Devil Wears Prada 2*. The 49-year-old actor thinks this is because fans did not like his character, Nate.

In an interview, Grenier said he was disappointed not to get a call for the new film. He understands that some fans have bad feelings about Nate. He said, "We're all fans of the movie, whether or not we're in it."

After the interview, many fans shared their thoughts on Reddit. Some think it is a normal choice not to include Nate. Others are happy he is not in the sequel. One fan said Nate's story was finished and he would not add anything new. Another fan agreed and said he did not care about Nate's story. Another comment said Nate was the weakest part of the movie.

The sequel, *The Devil Wears Prada 2*, will be in cinemas on May 1st.
