

AFI Life Achievement Award presented to Nicole Kidman

Description

Nicole Kidman Honored with American Film Institute Award

Nicole Kidman, the acclaimed Australian actress, recently received the prestigious American Film Institute (AFI) Life Achievement Award. The first Australian actor to be honored with this prestigious award, Kidman was presented with the accolade by none other than Meryl Streep in Hollywood.

Surrounded by fellow stars like her husband Keith Urban and co-star Reese Witherspoon, Kidman graciously accepted the award in a stunning gold Balenciaga gown. She expressed her gratitude to all the directors she has worked with, acknowledging their role in shaping her career.

During the emotional ceremony, Urban shared a heartfelt message about Kidman's unwavering support during his struggles with substance abuse early in their marriage. The event also featured video tributes from other Australian actors like Russell Crowe and Hugh Jackman, highlighting Kidman's remarkable career and impact on the industry.

Previous winners of the AFI Life Achievement Award include legendary names like Streep, Denzel Washington, and Martin Scorsese. Kidman's journey from her Hollywood breakthrough in the 1990s to winning an Oscar showcases her talent and dedication to her craft.
