## BIA Addresses Claims of Coachella Crowd Plea

### Description

BIA performed at Coachella and faced claims from some audience members. They said she asked the crowd to stay after Natalie Nunn left the stage. BIA denied this claim in a post on X, a social media platform. She argued that her show was live-streamed, so people could see what happened.

A video showed BIA telling the crowd, "I'm not done." This video is now gone, so it is hard to know if many people were leaving or why she said that. Maybe she was talking to those leaving, or she was hinting at more surprises.

BIA invited other artists to join her, including DDG, OhGeesy, and Denzel Curry.

Earlier, Cardi B made a comment about BIA not having well-known songs in her diss track "Pretty & Petty." BIA responded that she would not reply to Cardi's comments because it was not worth it.
