## Biden: Israel will stop fighting in Gaza if hostages are released

### Description

Israel and Hamas are talking about stopping the fighting in Gaza, but there is no agreement yet. President Joe Biden says Israel might stop its attacks during Ramadan if they can release some hostages. The situation is very serious, with many people being hurt and needing help. Egypt and other countries are sending food and supplies to Gaza by dropping them from airplanes. This is because the people in Gaza are facing hunger and other problems. The talks are still going on to try and stop the fighting. President Biden hopes a deal can be reached soon. The United Nations is worried about the situation in Gaza, especially during the Muslim holy month of Ramadan. The fighting needs to stop to save lives and help the people of Gaza.
