

Daily Horoscopes for All Zodiac Signs on 24 February 2026

Description

Today, February 24, 2026, the First Quarter Moon is in Gemini. This means there is a lot of energy around a new project you have started. The recent solar eclipse on February 17 has encouraged you to take action.

It is a good time to think about the story you tell yourself about your situation. Gemini influences whether this story is true. If you find that your story is just what you want to believe, it might be useful to change how you think about it.

For Aries, you will find clarity in a decision you have been thinking about. Your words now can shape your future.

Taurus should examine their finances closely. Make sure you are not giving too much without receiving enough.

Gemini feels challenged as they explore their changing identity. On this day, take a step that shows who you are becoming.

Cancer needs to focus on their inner thoughts. This is a private time for self-reflection.

Leo may feel some instability in their social life. It's time to talk with friends and figure out what you want.

For Virgo, it's a moment to take action in your career. Don't wait for everything to be perfect before you move forward.

Libra might question their beliefs. A challenging discussion today can help you grow.

Scorpio needs to be honest about their feelings. Share your thoughts to strengthen connections.

Sagittarius must clarify a relationship. Talking openly can reduce tension.

Capricorn should simplify their daily routines. Cut down on unnecessary commitments.

Aquarius wants to express themselves but feels hesitant. Small acts of authenticity can boost your confidence.

Finally, Pisces should look at their personal security. It's important to create a safe and comfortable environment at home.
