
Diablo 4: Exciting Return to Sanctuary Event Dates Revealed!

Description

The upcoming "**Return to Sanctuary**" event in *Diablo 4* will feature a variety of in-game activities, commencing on Tuesday, Nov. 19, and continuing for various durations.

Below, we will elucidate the key events scheduled for *Diablo 4* through the remainder of 2024, which includes a Spiritborn trial, the Red-Cloaked Horror, and the much-anticipated return of the Mother's Blessing XP buff.

Beginning Tuesday, Nov. 19, players can take advantage of the first character boost feature in *Diablo 4*, applicable exclusively to Eternal Realm (non-Seasonal) characters.

Every owner of *Diablo 4* is entitled to boost one character to level 50, select from three different sets of Legendary Items, unlock all Altars of Lilith instantly, and receive various materials such as Gold and Obols. For those who own the *Vessel of Hatred* expansion, there's an option to boost a second character.

Though Blizzard has designated the Welcome Back Booster as a "limited-time" offer, they have not specified an expiration date in their announcements.

Return of the Red-Cloaked Horror

From Tuesday, Nov. 19, to Tuesday, Dec. 3, the formidable Red-Cloaked Horror monster will have a chance to appear in place of a Hellborne during the Helltide events. Additionally, it may spawn randomly within dungeons and the Infernal Hordes mode.

This terrifying creature can drop a range of rewards, including the event-exclusive Gideon's Brew, a potent Elixir that enhances damage dealt, experience gained, and materials collected for a duration of 30 minutes.

Limited-Time Spiritborn Trial

From Tuesday, Nov. 19, to Monday, Dec. 2, players without the *Vessel of Hatred* expansion can explore the Spiritborn class, the sixth character type in *Diablo 4*. Although the trial caps at level 25, any progress made will carry over if players decide to purchase the expansion later.

If you're trying this class for the first time, be sure to check out our comprehensive Spiritborn build guide.

Mother's Blessing XP Boost

From Tuesday, Nov. 19, to Tuesday, Nov. 26, expect the return of the Mother's Blessing XP and gold boost in *Diablo 4*. This enhancement is multiplicative, meaning it will stack with other XP boosts, such as Elixirs, allowing for an accelerated leveling experience and quicker Paragon progression during this limited timeframe.

Vocabulary List:

1. **Elucidate** /ɪˈluː.sɪ.deɪt/ (verb): To make something clear or explain.
