# Dow Jones Futures: Nasdaq Reaches Highest Ever, Taiwan Semi Increases; What Should You Do Now

## Description

The Dow Jones, S&P 500, and Nasdaq will start their work on Sunday evening. The stock market had a good week. The Nasdaq reached a new highest score. The S&P 500 also did very well.

Some companies, like Taiwan Semiconductor Manufacturing and Microsoft, are doing well. They have been doing well for a few weeks now. These are some companies to watch.

However, the stock market is getting big again. The Nasdaq and S&P 500 have grown a lot. While this is good, it is important to be careful. The stock market could go down again.

The video in this article talks about the stock market this week. It also talks about Taiwan Semiconductor, a company that makes computer chips.

Companies to watch this week include Taiwan Semiconductor, Microsoft, Palantir Technologies, and Uber Technologies. These are all good companies that are doing well in the market.
