

Get a Bite of Python and Seaside Farms!

Description

Calling all speedsters,

Rocket Racing enthusiasts are in for a treat with the latest update, version 29.40, featuring two brand new tracks designed by Epic Games. Whether you're into lush jungles or breezy seaside vistas, the Python and Seaside Farms tracks are sure to get your heart racing.

Python offers adventurous racers the chance to navigate through a mesmerizing jungle adorned with ancient shrines. The track's serpentine twists will put your drifting skills to the test. Unlock this Novice course once you reach Silver I ranking.

On the other hand, Seaside Farms promises high-octane excitement on pastoral landscapes. However, don't be fooled by the tranquility of the setting - this is an Advanced track that can only be unlocked at Gold I ranking.

In addition to thrilling new tracks, Rocket Racing is also bringing Star Wars into the mix with exciting in-game quests. Complete Star Wars Quests to earn exclusive rewards such as a Battle Pass Level Up and the Energy Binders Trail inspired by podracing.

Moreover, the formidable Beskar car, crafted from Mandalorian Steel, is now available in the Fortnite Shop. This sleek vehicle is part of the Beskar Bundle, featuring a range of customizable items to enhance your racing experience.

But that's not all - the update also includes major improvements, adjustments, and bug fixes to enhance your gameplay. From revamped bot behaviors to re-opened shortcuts, Rocket Racing is constantly evolving to provide the ultimate racing experience.

Get ready to rev up your engines and conquer the tracks in style with Rocket Racing. May the Fourth Quests and Star Wars Quests are available until May 20, so don't miss out on the action-packed adventure waiting for you in the Rocket Racing universe.

Don't just watch the action, be a part of it in Rocket Racing!
