

Hearthstone 35.4 Update: Key Patch Notes Released

Description

Patch 35.4 will start tomorrow in **Restoration of Azeroth**. This update will bring new **Class Sets**, a new **Arena season**, and some fixes for errors in the game.

Four classes will help to heal Azeroth. The classes are **Druid, Hunter, Paladin, and Mage**. Each class will get new cards in their Class Set. There will be seven cards for each class. These include one **Legendary** card, two **Epic** cards, two **Rare** cards, and two **Common** cards.

Players can find these cards in **CATAclysm** packs. They can also buy them directly or craft them using dust. An individual Class Set costs £9.99. A bundle with all four Class Sets costs £19.99. This includes 28 new cards and some bonus items.

The new Arena season is called **Dual Class Arena**. Players can choose two classes and combine their cards. The game will end all ongoing Arena runs when the new season starts.

There are also events for players. From May 5 to May 26, players can help beat **Deathwing** and earn rewards. From May 26 to June 2, players will assist **Alexstrasza** to protect dragon eggs.
