

Ingrid's Moves and Mechanics Unveiled for Street Fighter 6

Description

Ingrid has a new gameplay trailer for Street Fighter 6 in Japan. This comes after a wait of 10 months. Capcom shares new information about Ingrid's moves and abilities in the game.

Ingrid has a special move called Sun Shot. It sends a ball of light forward before it fires. Players can change its speed and angle. She has another ability called Sun Crests. This lets her power up her moves. It works like Lily's Wind Stocks.

Ingrid also has a counter move called Sun Veil. It can block basic attacks but not strong moves called Supers. She can teleport with a move called Vanishing Sun.

Ingrid's level 1 Super Art is called Shining Sun. It is a series of magical kicks. Her level 2 Super is Order of the Sun, which rains projectiles on enemies. Her level 3 Super is Cosmic Ray, which can hit far away opponents.

Ingrid will be available on May 28 with new outfits in Street Fighter 6.
