

Ivanka Trump Donned a Sparkling Sari to the Ambani Pre-Wedding Celebration

Description

Ivanka Trump is in India for an exclusive wedding event, and she is making a stylish appearance on the social scene again after having taken a break from politics last year.

Ensclosed in an ostentatious sari at the Ambani pre-wedding function, Ivanka Trump brought a shimmer of the Trumpworld to this star-studded spectacle.

On a Saturday replete with business magnates, billionaires, and celebrities, Trump found herself back in the public eye, mingling with some of the world's most affluent and well-connected people.

Alongside her husband and their daughter, Arabella Rose Kushner, Trump stood out in a glitzy gold and silver sari, serving as guests at a pre-wedding soiree for the forthcoming nuptials of Anant Ambani, son of Asia's wealthiest man, Mukesh Ambani.

Also present at the grandiose festivities were tech giant Mark Zuckerberg and his wife, Priscilla Chan. The extensive guest list for the opulent celebrations featured icons like pop singer Rihanna, business mogul Bill Gates, and Google CEO Sundar Pichai.

Before the tumult of the 2016 election, Ivanka Trump was just another glamorous NYC resident whose father happened to be a known businessman.

However, she's entirely changed her tune, opting to get friendly with the Kardashians, turning down future political obligations, and immersing herself in high-society festivities with distinguished families like the Ambani's in India.

Trump can also often be seen globetrotting, blending back into the elite circles with her trips to Greece, surfing escapades, and her social media filled with selfies taken against the backdrop of New York City.

On the other hand, Trump's siblings are working to cement their places within the sphere of their father's political influence. Donald Trump Jr brings his takes to the public with a podcast, whilst Eric Trump and his wife Lara vociferously champion their father's potential return to the White House in 2024.

Ivanka Trump's attorney did not immediately respond to an out-of-hours comment request from Business Insider.
