

# Kendall & Kylie Jenner's Winter White Outfits Steal Show at Family Christmas Party

## Description

The Kardashian family decided to have a quiet Christmas party this year. They did not have a big party. Kim Kardashian said this was because of construction.

At the party, the Kardashian sisters wore beautiful dresses. Kylie Jenner wore a white dress with sequins. She also wore pearl heels and diamond jewelry. Kendall Jenner wore a cream dress. Kendall's dress had a cut-out at the back. Kim Kardashian, Kendall, and Kylie all posted photos of their outfits on Instagram.

The party was different this year. Normally, the Kardashians have a big Christmas Eve party. Many famous people come to these parties. But this year, the party was small and relaxed. The family did not have a party in 2020 because of the Covid-19 pandemic. It was not clear whether all of the Kardashians were at this year's party. But even though it was small, everyone still dressed up and had a fun time.

## Vocabulary List:
