I want to say that there will be **spoilers** in this review.

I recently watched the movie *Flight Risk* on HBO Max. I didn't expect much from it. But to my surprise, I enjoyed it a lot! Mark Wahlberg plays a very exciting role as the bad guy.

Wahlberg's Great Performance

I remember Mark Wahlberg from when he was in Calvin Klein ads and his movies. In *Flight Risk*, he plays a pilot named Daryl Booth. This character reminds me of his role in the movie *Fear*. Both characters are crazy and dangerous.

The movie is mostly on a plane with only a few main actors. It is fun and different. I think it is worth watching!
