

Meghan Markle's Exciting 2025 Comeback on Social Media

Description

Meghan Markle commenced the year by re-emerging on Instagram, immediately captivating a plethora of fans and followers with a renewed vibrancy on her platform.

The Duchess of Sussex provided an infrequent glimpse into her private existence through a succinct and heartwarming video divulged on social media on January 1.

At 43 years of age, Markle had maintained a deliberate absence from the photo and video-sharing platform since 2020, coinciding with the couple's decision to withdraw from senior royal duties.

PRINCE HARRY DISMISSES MEGHAN MARKLE DIVORCE RUMORS

ESL-NEWS.COM

Meghan Markle returned to social media on January 1. (Kola Sulaimon)

Markle shared an engaging 30-second video at dawn, heralding the commencement of the new year. Captured by Prince Harry, she was portrayed in a flowing white linen ensemble, effortlessly traversing the beach adjacent to their residence in Montecito, California, as per a report by [People magazine](#).

The post, devoid of any caption, featured her etching “2025” into the sand before frolicking exuberantly through the scene.

Initially, following their marriage, Markle and Harry belonged to the @KensingtonRoyal account, also co-managed by Prince William and Kate Middleton. After one year, they established the @SussexRoyal account, which was ultimately deactivated in 2020 when the couple distanced themselves from royal duties and relocated to California.
