### Description

Title: Michael Keaton is back as "Beetlejuice" in new movie sequel

Michael Keaton is well known for playing unique characters. He is returning as Beetlejuice in a sequel to the popular 1988 movie. Recently, he and his team talked about the new film at CinemaCon in Las Vegas.

Unlike everyone else who wore all black, Keaton wore a brown jacket and white pants. He even joked about how he didn't fit in. The trailer for the new film, "Beetlejuice Beetlejuice," was also shown. It plays in cinemas from September 6th.

Beetlejuice is back to have fun and create trouble. The film is about how people and spirits must learn to live together. It also features characters from the first film, including a fearsome character Wolf Jackson played by Willem Dafoe, and a villainess Delores acted by Monica Bellucci.

Bellucci said working on the film was a dream come true and she loved the costumes. Keaton also praised actress Jenna Ortega, who couldn't attend due to work.

Finally, Keaton is happy to have returned as Beetlejuice. He said, "It's really amazing. In fact, it's great." Fans of the original movie can now look forward to seeing the sequel soon.
