

Mystery of the Antlered Man near Harrenhal Revealed

Description

In Westeros, strange things happen, especially at Harrenhal. In Season 2 of *House of the Dragon*, Alys Rivers, a witch, showed Daemon many odd visions. In Season 3, Alys focuses on three people called dragonseeds: Addam of Hull, Ulf the White, and Hugh Hammer. They camp near Harrenhal on Rhaenyra's orders.

The dragonseeds wait by a big lake called Gods Eye. They feel nervous because they do not know what to do next. Suddenly, Alys arrives with a haunted goat and a scary man with antlers. This man is part of a group called the Green Men. They protect a special place called the Isle of Faces.

The Green Men help keep peace between two groups. They appeared many years ago to make a promise about who controls land in Westeros. The dragonseeds have seen a Green Man before, but it was not mentioned in the books. Alys has been with them both times. This makes people wonder what Alys and the Green Men will do next.

Season 3 of *House of the Dragon* is now streaming. New episodes come out every Sunday.
