

New EvedPay Visa Card and Mobile App Designed for Entertainment, Media, and Production Companies to Streamline Expense Management and Approval

Description

Eved LLC has introduced the EvedPay card and app, designed to streamline payment management for entertainment and media companies. The prepaid Visa card allows production staff to easily track and manage expenses during film and television productions, with the app enabling real-time expense uploads and reconciliation. The Eved platform integrates with the card and app, simplifying supplier management and payment processing. Features include issuing digital cards with spending limits, customizable reconciliation fields, and seamless integration with accounting software. Talia Mashiach, CEO of Eved LLC, emphasized the importance of providing efficient tools for the industry to manage production expenses accurately. With a 12-year history of serving Fortune 500 companies, Eved prides itself on meeting high security standards and offering superior service. Learn more at eved.com.
