## New Strategy RPG 'Brigandine: Abyss' Set for Switch 2 in 2026

### Description

NIS America has announced a new game called Brigandine: Abyss for the Switch 2. This game is a role-playing game (RPG) and will be available in 2026. It introduces a unique world for both new and experienced players to explore.

In the game, players will encounter the Abyssloa Empire, which is trying to conquer the world after being stopped long ago. Players will need to manage resources and gather monsters to fight against the empire in six different story campaigns. Each campaign offers a chance to uncover secrets and confront darkness.

For players who prefer a classic experience, the game includes a Mission Mode. In this mode, players can choose from 24 different factions, each with its own goals. This mode offers more challenges and replayability.

Gameplay has two main parts: the Organization phase and the Attack Phase. During the Organization phase, players prepare their troops and resources. Then, in the Attack Phase, they engage in battles on a special hexagonal grid. Players must think carefully about their skills and strategies to succeed.

Brigandine: Abyss promises hundreds of hours of exciting gameplay for all types of players.
