

Olivia Rodrigo Kicks Off Guts World Tour with Greater Vigour and Boldness – Press Enterprise

Description

While still a neophyte in the world of professional music, Olivia Rodrigo managed to captivate audiences across the nation with her 'Sour Tour'. In 2022, despite her relatively fresh arrival on the music scene, Rodrigo's talent and charisma saw her selling out esteemed venues, including two resplendent nights at the distinguished Greek Theatre in Los Angeles. The link to a magnificent review of her performance can be found [here](#).

From that outstanding fledgling tour, Rodrigo's star only continued to ascend. By now, she basks in the spotlight of countless late-night talk shows and popular programs such as the iconic "Saturday Night Live". Even the Grammy committee lauded the young artist's work with multiple awards to her name. Furthermore, Rodrigo progressed beyond her inaugural album 'Sour' by releasing 'Guts' on September 8, 2023. The album was brought to life by the compelling ballad 'Vampire'.

Designed to further resonate with her expanding fan base, Rodrigo embarked on the 'Guts World Tour' in 2024. Transitioning from the relatively intimate confines of 3000-7000-capacity theatres, she now graces the stage of expansive 10,000-seat arenas. This evolution in concert venues was inaugurated with a triumphant, sold-out concert at Acrisure Arena in Palm Desert on February 23. This location holds sentimental value for Rodrigo, as it is in close proximity to her upbringing in the communities of Temecula and Murrieta. Clearly reveling in the proximity to her roots, Rodrigo rallied the crowd by acknowledging her "Riverside County sisters!"

The thrilling grandeur of the arena tour didn't diminish Rodrigo's personal interaction with her audience. Probing them with the soul-searching question "It's a bad idea, right?" during the opening song 'Bad Idea Right?', she allowed her devotees to reflect and connect. The artist harnessed every opportunity to engage her audience, whether it be through the spectacle of large-scale shows or the intimacy of acoustic sets.

By the closing of the inaugural 'Guts World Tour' night, it was clear that Rodrigo's stage show has undergone a remarkable transformation since the 'Sour Tour'. Already captivating in her early performances, Rodrigo has now elevated her artistic precision and stagecraft significantly. From commanding a larger band, incorporating numerous wardrobe changes, to pacing herself resiliently through the vastness of the new venues, Rodrigo demonstrated the prowess of her show-woman skills.

Finishing with the raw emotional energy of her electrifying single 'Good 4 U', Rodrigo brought the house down. She then followed it up with 'Get Him Back!' a track of vindication and revenge. It was a perfect closer to the debut of the Guts World Tour. The tour is set to reach its zenith with four sold-out nights at Kia Forum in Inglewood on Aug. 13-14 and 16-17.

For those fervent fans who have been unable to secure a ticket for Olivia Rodrigo's Guts World Tour, secondary seller sites start at \$249 at [StubHub.com](#) and \$207 at [VividSeats.com](#). With her skillfully crafted music and indomitable stage presence, Rodrigo presents a concert experience that transcends the ordinary.
