

Prince Harry forced to stay at hotel during UK trip next week as royals are 'too busy' to meet with him

Description

Prince Harry is planning to visit the UK. He will stay at a hotel. It's his first visit to the UK since learning about the illness of his sister-in-law, Kate Middleton. Prince Harry is excited to attend the 10th anniversary of the Invictus Games in London. He hopes to meet his family during the trip. But there's no news about other royals attending the event. Harry's father, King Charles, is unable to meet him because he's too busy.
