
Rapper Lil Jon's Son Found Dead in Georgia Pond

Description

The body of rapper Lil Jon's son, Nathan Smith, was found near his home in Georgia after he had been reported missing. The 27-year-old, known as DJ Young Slade, disappeared on Tuesday morning. He was last seen running from his house in Milton. Police confirmed that his body was discovered in a nearby pond on Friday.

The medical examiner will officially identify the body and investigate the cause of death. Police extended their condolences to the Smith family and requested privacy for them during this difficult time.

Lil Jon, whose real name is Jonathan Smith, announced his son's death on Instagram. He expressed his deep sadness and said, "Nathan was the kindest human being you would ever meet." He described Nathan as a talented music producer and graduate of New York University. Lil Jon thanked supporters for their prayers and assistance during the search for Nathan.

Officers arrived at Smith's house around 6 a.m. on Tuesday. They reported that Nathan might have been confused and needed help. Police noted that he left home "under unusual circumstances," but they do not suspect any foul play.

The investigation remains open, and Milton police continue to look into the case.
