

Seth Rogen Teases Possible Sequel to Beloved 2008 Comedy

Description

Seth Rogen is a well-known actor in comedy movies. He has made films like *Sausage Party* and *Neighbors*. One movie fans want a sequel for is *Pineapple Express*.

On the show *Watch What Happens Live*, Rogen talked about a possible sequel. Host Andy Cohen asked a fan question about this.

Rogen said, "Maybe. We could sell it to streaming."

Cohen mentioned that Hollywood likes making sequels. For example, Adam Sandler's *Happy Gilmore* has a sequel on Netflix.

Rogen added, "I'm not great with sequels, but maybe one day." When *Pineapple Express* came out, it was very popular and made over \$100 million.

In 2020, Rogen said they tried to make a sequel but plans changed.

One big question is if James Franco would return for the sequel. They are not friends now because of past issues.
