

## Special Research: Secrets Revealed by Whispers in the Wood

### Description

A new opportunity has arrived in the world of Pokémon GO for trainers eager to catch the elusive Shiny Celebi. For a fee of US\$5.00, players can embark on the Masterwork Research story titled "Whispers in the Woods," culminating in an encounter with the desirable Shiny Celebi. This special research was initially introduced in the Distracted by Something Shiny Special Research story and is now making a comeback for the 8th Anniversary Party event.

In addition to the chance to capture Shiny Celebi, ticket holders will also receive special bonuses such as extended durations for Incense, Daily Adventure Incense, and Lucky Eggs. The tickets for the Masterwork Research story can be purchased until July 3, 2024, with full access to the story during the event.

Players who complete this Masterwork Research or have previously completed the Distracted by Something Shiny Special Research will not be eligible to purchase this new story. The journey to uncover the mysteries of the Woods and earn exclusive rewards awaits those who dare to embark on this thrilling adventure in the world of Pokémon GO.
