

Steven McBee Jr. Speaks Out After Girlfriend's Cheating Claims

Description

Steven McBee Jr., a star of *McBee Dynasty: Real American Cowboys*, has announced his new single status following a breakup with his girlfriend, Allie Eklund. The split comes after Steven discovered claims of Allie's alleged infidelity at the recent Stagecoach Festival.

Steven and Allie first made their relationship public in November. He had been very hopeful about their future together, especially after coming out of a difficult relationship with his ex, Calah Jackson. However, concerns arose when Steven left California a day early from the festival and received messages suggesting Allie's inappropriate behaviour with another man.

Several sources reached out to Steven, raising serious concerns about Allie's conduct. Distressed by the news, he posted some of the information he received on social media, which has since drawn attention. He confirmed that he is now single but expressed regret over his hasty online reaction.

"I wish I wouldn't have posted on social media," Steven admitted, showing his emotional turmoil after waking up to the shocking news. He mentioned that he and Allie had just been discussing their future, including plans to build a house.

While upset, Steven also reflected on his own challenges in relationships and noted that he might not always be easy to live with due to his Type A personality. Allie and the man featured in the screenshots, Drew Dodson, have not yet responded to requests for comment. The future of their relationship remains uncertain.
