

Stolen: Keanu Reeves' Luxury Watch Collection Recovered in Chile

Description

Local law enforcement in Chile recently recovered three timepieces from the luxurious watch collection of Keanu Reeves, the esteemed actor renowned for his role in the "John Wick" franchise. These watches are believed to have been purloined during a brazen break-in at his Los Angeles residence in late 2023, according to a report.

The recovery occurred as Chilean authorities executed a series of raids on multiple properties linked to suspects in the burglary, collaborating closely with U.S. law enforcement officials in a comprehensive investigation.

Among the watches procured during the Saturday operations was a Rolex Submariner, valued at approximately \$9,000. This particular timepiece bore Reeves' first name inscribed on the band, along with the inscription "2021, JW4, thank you, The John Wick Five," as detailed by [CNN Chile](#).

Reeves had previously gifted identical watches to the stunt team involved in "John Wick: Chapter 4" in 2021, a gesture reflecting his appreciation for their contributions.

Chilean authorities reported the discovery of various items of jewelry and other high-value watches during the raids targeting four separate residences.

Authorities indicated that one of the watches belonged to "a renowned actor who was the victim of a robbery in Los Angeles in December 2023," as reported by CNN Chile. They are working to establish a definitive link between the recovered watch and the break-in at Reeves' home.

Over the years, Reeves' residence has become a target for numerous attempted break-ins, ranging from overly enthusiastic fans to more dangerous intruders intent on theft.

Notably, in 2014, his home was invaded twice within a mere three days, underscoring the ongoing challenges he faces to ensure his personal security.

Initially, only a firearm was confirmed stolen during the 2023 incident, wherein a group of masked individuals gained entry by shattering a window. Subsequently, a 21-year-old suspect was apprehended in connection to the raid, as reported by CNN Chile.
