

Top Amazon Deals: Kindles, Apple, Sony and More on Black Friday/Cyber Monday

Description

Table of Contents

Amazon's Black Friday sale started early this year, offering great deals on robot vacuums, Apple products, and Fire TVs. Even better than Prime Day offers, these deals are worth checking out.

The Mashable Shopping team is constantly updating our list of the best discounts for Cyber Monday, so keep coming back to see the latest deals.

If you're an Amazon fan, don't forget to check out deals from other retailers like Walmart, Best Buy, and Target. And for smart shopping, use tools like CamelCamelCamel to track prices and get notified of sales.

Apple products aren't included in Amazon's extended holiday return window, so keep that in mind when making a purchase.
