

## Top daily and easy online games

### Description

Hello and welcome to the latest edition of Installer! In this week's issue, we cover a variety of interesting topics that you won't want to miss.

First up, we take a look at some cool new gadgets, a new YouTube channel you're sure to love, a new-old Mario game, a clever new AI tool for Windows, and a bunch of fun new games. There's something for everyone in this week's lineup!

We also highlight some great recommendations from our readers, including a YouTube video essay about the demise of the Star Wars Galactic Starcruiser hotel experience, a handy app called ReminderCal that syncs iOS Reminders with the iOS Calendar, and WizTree, a super-fast disk cleaning tool.

Additionally, we showcase some crowd-sourced favorites like Hoopla, a digital content app connected to local libraries, and PlayCover, a tool for replaying classic GTA games on a MacBook using a Netflix subscription.

To round it off, we share a top tip for your summer gatherings: the UE Wonderboom Bluetooth speaker. Compact, loud, long-lasting, and affordable, it's the perfect companion for your outdoor adventures this season.
