

Top Sci-Fi Movies You Need to Watch

Description

When I was around ten years old, my mom went away for the weekend, and my Dad rented both *Terminator* movies; that weekend changed my life. Growing up in a house of Trekkies, I was already familiar with science fiction. But those *Terminator* movies were different, weird, violent, and totally up my alley. From then on, I made it my mission to watch the best science fiction films out there. These movies shaped my education and career, opening me up to new ideas and possibilities. Today, I am diving into sci-fi, exploring its history, tropes, and some of the best films in the genre. Let's explore the world of science fiction together and see how it has evolved over time!
