
Ultimate Guide: Full Roster & Hero Classes Unveiled

Description

UPDATE: The article has been revised to include the official class reveal of Black Widow, Wolverine, and Cloak & Dagger, along with new character trailers.

Marvel Rivals is set to enter the fiercely competitive multiplayer shooter arena with a star-studded lineup of superheroes, challenging popular titles like *Overwatch* and *Valorant*. In this free-to-play, super-powered shooter developed by NetEase Games and Marvel Comics, players engage in six-versus-six online battles embodying one of 33 Marvel heroes and villains, each categorized into Vanguard, Duelist, or Strategist classes, as orchestrated for interdimensional skirmishes by Galactus' daughter, Galacta.
