

Unmasking the Remarkable Life of a Female Swine Expert

Description

Megyn Kelly wants Disney to fire Rachel Zegler. Zegler is the star in a new "Snow White" film. Kelly called Zegler a "pig" after Zegler used bad words about Donald Trump.

Kelly is well-known for her conservative views. She said all this on her radio show. She said if an actress said bad things about supporters of Biden, she would be fired quickly.

Kelly was upset with Zegler's comments about people who voted for Trump. Zegler posted these comments on Instagram after Trump's election win in 2024.

Zegler said she didn't want a future full of hate. She didn't want her daughter to grow up in such a world. She added that Trump and his supporters should never have peace.

Zegler then said sorry for her Instagram post. She admitted her emotions overtook her. She said she played a part in making the discussion negative.

Kelly didn't accept the apology. She said Zegler was acting in a Broadway play, "Romeo + Juliet". Kelly told her listeners not to see the play. She said it's wrong to have an actress who dislikes half the country in a "Snow White" film.

Disney didn't comment. They have already delayed the film because of other reasons. Kelly said it's time to see whether "woke" Disney will make a change or not.
