

Vote for Your PS5 Game of the Month: March 2026

Description

March was a very busy month for new games on the PS5. Many new titles came out, and some were very popular.

The most talked-about game was *Crimson Desert*. It is an open-world game. Many people love it and it is likely to win the Game of the Month award.

Another important game was *Marathon*. It is a shooter game made by Bungie. This game is different from *Crimson Desert*. Not everyone played it, but those who did really liked it.

Other notable games included *Monster Hunter Stories 3: Twisted Reflection*. This game is part of Capcom's RPG series. Many players think it is the best one yet.

There were also games like *Screamer*, an exciting racing game with a good story, and *South of Midnight*, which is now available on PS5 after being an Xbox exclusive.

Players can vote for their favourite game of March. The voting will close on Monday 6th April 2026, at midnight BST.

Vocabulary List:

1. **shooter** //ˈʃu:tər// (noun): a video game where players use guns

Answer

Multiple Choice: 1. Crimson Desert 2. Bungie 3. RPG 4. Racing 5. 6th April 2026 6. South of Midnight

True-False: 7. False 8. True 9. False 10. True 11. False 12. True

Gap-Fill: 13. Crimson Desert 14. Bungie 15. RPG 16. 2026 17. racing 18. Xbox

Vocabulary quizzes

Multiple Choice (Select the Correct answer for each question.)

1. What is often used to explore outer space?

Option: Submarine

Option: Spacecraft

Option: Helicopter
Option: Airplane

2. What term is used to describe a specific task or goal in space exploration?

Option: Project
Option: Operation
Option: Mission
Option: Assignment

3. What do scientists rely on to gather data from space?

Option: Experiments
Option: Observations
Option: Tests
Option: Surveys

4. What term describes speeds greater than five times the speed of sound?

Option: Subsonic
Option: Supersonic
Option: Hypersonic
Option: Transonic

5. What is the primary component that provides thrust for a spacecraft?

Option: Wing
Option: Engine
Option: Control system
Option: Fuel

6. What is the term used to describe the speed of sound in air?

Option: Kilometers per hour
Option: Mach
Option: Time
Option: Velocity

7. What is the term for a material that has lost moisture?

Option: Overhydrated
Option: Dehydrated
Option: Saturated
Option: Liquid

8. What type of presentation showcases the capabilities of a product?

Option: Lecture
Option: Workshop
Option: Demo

Option: Course

9. What action is taken to initiate the propulsion of a rocket?

Option: Launching

Option: Firing

Option: Igniting

Option: Starting

10. What is a gathering for hands-on activities and discussions called?

Option: Conference

Option: Webinar

Option: Workshop

Option: Seminar

Gap-Fill (Fill in the blanks with the correct word from the vocabulary list.)

11. The latest _____ was successfully launched into orbit.
