# Wicked: 2024 Streaming Premiere Date Revealed!

## Description

Should you choose to acquire an independently reviewed product or service through a hyperlink on our platform,

The Hollywood Reporter may garner an affiliate commission.

Encompassing an extensive marketing initiative, buoyed by a remarkable array of brand collaborations, *Wicked* Part One has achieved unprecedented box office success. With Part Two scheduled for a November 2025 premiere,

the fervor surrounding *Wicked* shows no signs of abatement.

While the definitive streaming release date for the Tony Award-winning cinematic adaptation of the Broadway musical remains undetermined,

we present a comprehensive overview regarding its home viewing opportunities. This includes pre-order options for the film

on Blu-ray and digital platforms, alongside access to exclusive behind-the-scenes content featuring director Jon M. Chu.

## When to Stream *Wicked* Online

Typically, newly released films find their way onto streaming services within a window of 60 to 90 days post-theatrical release, albeit occasionally extending to 120 days. Given that *Wicked* debuted in theaters on November 22,

we anticipate its streaming debut could occur in February or March 2025. *The Hollywood Reporter* shall duly update this article once an official streaming date is publicized.

## Where to Stream *Wicked* Online

Produced by Universal Pictures, *Wicked* is expected to initially grace the Peacock platform, the premier streaming service under the NBCUniversal umbrella.

## *Wicked* Blu-Ray and Digital Code

The film's 4K Ultra HD + Blu-ray edition is currently available for pre-order at major online retailers such as Walmart, Amazon, and Target. Buyers will receive a digital code, facilitating the download of the digital version for their chosen devices

upon its release.

## How to Watch *Wicked*

---

## Behind-the-Scenes Footage

In anticipation of the film's streaming launch, Peacock has unveiled *Wicked: On Set With Jon Chu*, a compelling insight into the film's production and a guided tour of its sets, presented by the director himself.

This content is currently accessible on Peacock.

For those not subscribed to Peacock, the service offers an ad-free Premium package at \$7.99 monthly (or \$79.99 annually), while an ad-supported option is available for \$13.99 monthly (or \$139.99 annually).

*THR* will continue to provide updates as more distribution information becomes available.

This adaptation enhances the sophistication and clarity of the original text, employing a wider range of vocabulary and complex sentence structures suitable for CEFR C2 level learners.

---
